in the Green Beret Case

1. The other day when [ ] saw Senator Charles McC. Mathias in connection with another matter, he expressed concern over the Green Beret case. 2. Senator Mathias' position on the Green Beret case is not completely clear. He did say, however, that in "looking down the road" he could see only trouble ahead. I see no need for any immediate action but wanted to alert you to his interest in the event you should happen to run into him.
